

League Project Personnel Rostered Day Off (RDO) Policy

RDOs

Under the new Enterprise Agreement (EA) RDOs are now being accumulated each week (based on Ordinary Hours worked) and will be paid out at the end of every roster.

Ordinary hours are now based on 8hrs per day (Monday to Friday) totalling 40 Hours per week.

RDO accumulation is based on 4 hours per week. (Pro-rata on short weeks).

For a full week worked you will see the following on your payslip:

Ordinary Hours	40 hrs
RDO Accumulated	-4 hrs

On travel out weeks, you will see the deduction for that week's reduced hours and the accumulated pay out. (the payout will be the accumulation from the full roster):

Ordinary Hours	30 hrs
RDO Accumulated	-3 hrs
RDO Paid	7.8 hrs (.8 travel in week + 4 full week + 3 current week)

Please note that these are estimated hours.

This applies to Night Shift hours but note that the deduction and payout rates will be based on Day Shift Ordinary rates.
